THE DIGITAL ALTERNATIVE
TO THE EDINBURGH FRINGE

Welcome to Twinge

Twinge Festival is a celebration of all the artists this year who have migrated to Twitch due to Covid-19. In the last year there has been a growth of unforgettable innovation, outstanding comedy and a sense of community like no other. The Twinge was created, curated and features MattHossComedy.

The Twinge festival will run from 12th-28th August 2021, and it will run from 10am-1am everyday, featuring five artists per day. This includes some huge names of Twitch. On top of that it is totally free, both for artists and audience; although we highly encourage donations. You can donate directly to the performer you like OR you can donate to ALL the performers which will get split amongst them all evenly (after 20% is donated to the MIND charity).

Please help support us by promoting, sharing and supporting the event.
