

# Top 10 reasons to choose Loreto Normanhurst - an all girls' education for your daughter

At Loreto Normanhurst, we believe in the power of girls' education to transform lives. Here's why an all-girls' education is one of the best decisions you can make for your daughter's future.

## 1. ALLOWING GIRLS TO BE THEMSELVES

Girls' schools provide a safe environment where students express themselves freely, form strong friendships, and focus on their learning.

*88% of girls' school students feel comfortable being themselves at school.*

## 2. ACADEMIC ACHIEVEMENT

A culture of academic excellence challenges girls to achieve their full potential.

*80% of graduates consider their academic performance highly successful.*

## 3. DEDICATION TO HOW GIRLS LEARN

Tailored teaching strategies create a learning environment where girls thrive academically.

*96% of students report receiving frequent feedback on their coursework.*

## 4. FOCUS ON STEM

Girls' schools encourage students to explore STEM fields where women are traditionally underrepresented.

*Graduates are six times more likely to consider STEM majors.*

## 5. DEVELOPING LEADERSHIP SKILLS

Students develop confidence, teamwork, and resilience in leadership roles.

*93% of alumnae say they had more leadership opportunities than coed peers.*

## 6. INSPIRATIONAL ENVIRONMENT

An engaging and empowering atmosphere helps girls set and achieve ambitious learning goals.

*A majority of students report strong motivation to master academic content.*

## 7. PREPARING GIRLS FOR THE REAL WORLD

Engaging activities develop essential skills for life beyond the classroom, including public speaking, research, and problem-solving.

*Girls' school graduates rate their public speaking and writing skills higher than their coed peers.*

## 8. BUILDING SELF-CONFIDENCE

A supportive environment fosters self-belief and a strong sense of accomplishment.

*77% of students report high self-confidence.*

## 9. PROVIDING EXCELLENT MENTORING

A strong network of peers, teachers, and administrators supports and encourages every girl.

*95% of students feel supported by teachers compared to 84% at coed schools.*

## 10. NURTURING HIGHER ASPIRATIONS

Students develop high career ambitions, with a majority expecting to pursue graduate or professional degrees.

*Girls at single-sex schools demonstrate heightened career aspirations.*

*Supported by the International Coalition of Girls' Schools data*
