Hi my naam is Josias. Ekt 2 weke terug begin met die Baard Olie van SAiCS en ek kan vir julle se die produk werk, my baard groei nie vinnig nie maar met die produk groei hy vinnig. My baard is sag en ek kry nie rash of jik nie. Enige ander produkte wat ek gebruik laat my baard jik. Ek voel partykeer asof ek nie eers n baard het nie. Ek het ook maar patches gehaat aan die kante van my baard en nou het ek n volle baard. Baie dankie aan SAiCS vir hulle wonderlike produk ek sal dit aanbeveel aan ander.
