ORDER EARLY

ORDER EARLY TO SECURE YOUR NEW FURNITURE FOR THE START OF 2027!

educated furniture
built for learning

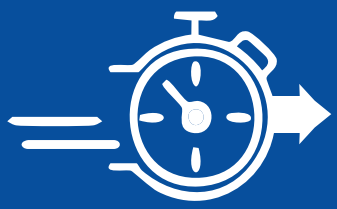

Order Early

We've entered our busiest time of the year for both our sales and factory teams.

If you need your new furniture to be ready for the start of 2027, please place your orders as soon as possible to ensure everything is delivered before students return from holidays.

We also recommend contacting your Account Manager early to secure a Term 4 consultation slot.

Secure your early 2027 delivery

Materials Made for Schools

EF uses Laminex Melteca® across much of our classroom furniture and cabinetry because it is durable, hygienic and easy to maintain. Its smooth, non-porous surface helps prevent anything penetrating the board, making it well suited to busy classrooms, libraries and shared spaces.

Benefits of Melteca

Easy to Clean
Sealed surface resists stains and wipes clean easily.

Durable
Hardwearing and resistant to scratches, impacts and daily classroom use.

Smooth and Splinter-Free
PVC edging creates safe, sealed edges with no exposed plywood splinters.

Low Maintenance
No regular sanding, sealing or refinishing required.

Cost-Effective
A durable, consistent finish ideal for both small upgrades and large projects.

Wide Choice of Finishes
Available in a broad choice of colours, woodgrains and decorative finishes.

Low-Emission Options
NZ-made Melteca offers responsibly sourced, low-emission options for healthier indoor spaces.

Health, Safety and Sustainability

Educated Furniture holds Gold SiteWise certification and maintains strong health and safety procedures across manufacturing, transport and installation. Our sustainability approach focuses on responsible material selection, long product life and reducing waste. We support this by:

- Designing furniture for repair and long-term use
- Recycling steel and manufacturing offcuts
- Reusing suitable timber and sheet materials
- Sourcing most materials within New Zealand
- Batch manufacturing to improve material efficiency
- Working with suppliers that hold recognised environmental credentials

(SKU: 107)

Folding Exam Desk

Lightweight and easy to store.

Designed for flexible spaces such as exam rooms, classrooms, and training rooms. Lightweight yet durable, it unfolds in seconds to provide a generous, sturdy work surface.

The smart frame and foot design ensure excellent stability, while the desk folds flat for quick, compact storage.

- 600L x 600D x 725
- 25mm round powdercoated heavy duty frame
- 600 x 600 Melteca top with straight sides so desks can be banked together in groups if needed
- Folds flat - down to just 50mm high
- Top can be made in any of our colours/finishes
- Perfectly paired with our **Summit Chair** (SKU:180a) or our **En One Chair** (SKU:176)

Smart Storage. Seamless Collaboration.

Choose from a wide array of base cabinet options to enhance your whiteboard unit, including cupboards, drawers, cube crates, and tote trays—designed to support the diverse storage needs of any classroom or learning environment.

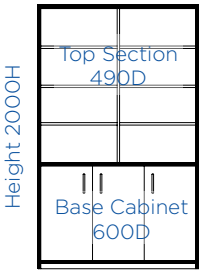

All upper sections feature adjustable shelving discreetly hidden behind the sliding whiteboards, allowing for both functionality and a clean, streamlined look.

Dimensions and Flexibility

- Standard unit height of 2000mm
- Base cabinet depth of 400mm with top section shelf depth of 290mm
- Mix and match cabinet modules to achieve an overall width between 1600 and 4800mm

(Note: Final widths may vary slightly based on your chosen configuration.)

STEM-Ready Option Available

For classrooms with larger storage needs—particularly STEM or science labs—we offer specially designed 600mm-deep cabinets.

- Standard unit height of 2000mm
- Base cabinet depth of 600mm with generous top section shelf depth of 490mm
- Mix and match cabinet modules to achieve an overall width between 1600 and 4800mm
