LAKE LISGAR WATERPARK, TILLSONBURG

It's not too late to make a splash this summer at the Lake Lisgar Waterpark! Whether you're racing down the waterslide, swinging off the giant inflatable, or watching little ones enjoy the spray features, there's something for every member of the family to enjoy. Pack a bag, soak up the sunshine, and spend a day making lasting summer memories close to home. Don't forget to enjoy a frozen treat, or hot food from our snack shack while you're here! Looking for an affordable family outing? A family of up to 5 can enjoy a full day at the waterpark for just \$34.70. Planning to visit more than once? It's not too late to save with a season pass! A resident family of four (2 adults and 2 children) would spend about \$243 on 7 daily visits, while season passes for the whole family cost just \$237.20 (plus HST). That means your season passes pay for themselves in as little as 7 visits. If you're planning to come even a couple of times each week for the rest of the summer, a season pass is the best value. The Lake Lisgar Waterpark is open daily 11-6pm until Sept 7, so there's still plenty of time to cool off, have fun, and make the most of your summer. We can't wait to see you at the pool!

THORNDALE HORTICULTURE SOCIETY

The Thorndale & Area Horticultural Society's 27th Annual Green Thumb Garden Tour held on June 28, was a huge success. The 2026 Core Green Thumb Garden Tour Committee included: Melanie Lisle-Gilchrist (Chair), Elaine Clays, Marylou Bontje, Barb Krasnicki, Elaine Wein, Dot Deller, and Norma Poel. Guests were able to tour 3 of the community-maintained gardens, and 5 private gardens. Each one unique, interesting, and full of ideas for each of our 74 visitors to explore. We had guests from London, Strathroy, St. Marys, Dorchester, and area. Refreshments were available at Esther & Kevin Spicer's, Matt & Stephanie Adams, Marjorie Bartons, and Ice Cream at Marian Smibert's, which was welcomed on this hot day. The beautiful host gifts were purchased from Practical Art (Steve Pietens), and were garden stakes of a lovely Cardinal. Sincere gratitude & appreciation are extended to our draw sponsors. Congratulations to all the draw winners! Special shout out to Thorndale Family Restaurant for staying open late that day to feed and refresh our hot & tired volunteers. We appreciate you. Our next general meeting will be held at the Thorndale Community Center, Room 3, Wed, Aug 12, 7.30pm. Connie Jasinskas will be presenting... "Don't let Gardening be a Pain!" AIR QUALITY

Recently, Bryan Smith returned a dust monitor to Gravel Watch. It had been in use for a significant period of time to measure visible dust & fine particulate matter in the air. Since we live downwind from Sarnia's petrochemical plants, we get lots of airborne pollutants along with local dust from pits & quarries, their truck traffic and track-outs of sand & grit onto local roads. Add to that the smoke from forest fires, and August's air could well be as smoky as mid-July's. No doubt there will be health warnings, telling us to stay inside many days. Not feasible for those with outdoor work, and not sensible when the sources might be found & fixed. One preventative measure would be for the Province of Ontario to abandon its foolish plan to burn organic & biogenic waste, sodden smoke-heavy stuff. (Google ERO 026-0595) Similarly, rather than dump billion after billions of \$ in pipelines from the west, it time now for the economic, environmental, clean and healthy solution - the electrical alternative.

BACK-TO-SCHOOL WHILE CARRYING GRIEF

As summer draws to a close, many families are preparing for the excitement & busyness of a new school year. Shopping for school supplies, meeting new teachers, and settling into routines are familiar milestones. For some families, however, this season also brings the challenge of facing these moments without a loved one who has died. The first day of school can be a powerful reminder of someone's absence. Whether it is a parent, grandparent, sibling, or close friend, grief may surface in unexpected ways. Children may become quieter, more emotional, or have difficulty concentrating, while parents & caregivers may be managing their own grief as they support their children. There is no right or wrong way to grieve. Every person's experience is unique, and emotions may change from day to day. Maintaining familiar routines can provide comfort & stability while creating opportunities to talk about feelings & share memories of the person who died. Simple acts such as looking at photos, telling stories, or lighting a candle can help keep their memory close. Healthy habits—including nutritious meals, regular physical activity, and good sleep routines—also support emotional well-being. If your family is grieving, consider letting your child's teacher or school staff know. Understanding what a student is experiencing helps educators respond with greater compassion and support. Lastly, kindness can make a lasting difference. A thoughtful check-in, a patient conversation, or simply listening may be exactly what a grieving family needs to feel supported, understood, and cared for as they begin the new school year.

HALLOWEEN

Is it too soon to think about Oct 31? Not when you plan to salvage used clothing for a spooky display of scarecrows, guys & ghouls using things you can find cheaply at charity retail stores or free at reuseapalooza. Same sources for some good costumes. It's not too early in August either to think about what food you will put on your walkway, steps or porch. It does seem odd to stack food outdoors. Would you decorate with canned fish or dried herbs? Why then with so many squash & pumpkins unless you brilliantly plan to make them serve you for autumn & winter meals too. A porch pumpkin can become baking, soup, or sides. Time to check food in your freezer or cans that you need to eat your way through before the harvest overwhelms you in its bounty. Will the price of chocolate continue to rise and sugar with it? What could you give children at the door as an alternative? Maybe not a carved turnip, the origin of jack o'lanterns but it may be a small toy or something else edible? Bryan Smith has a gimmick that draws children & teens annually up a long hill to his house. Surely you can be more inventive!

HARRINGTON BRIDGE DAY

A walk around the Harrington Pond can be a wonderful experience combining nature, heritage, community with gentle exercise. However, over the past several years, being unable to cross the creek feeding into the pond, one has had to follow a partial horse-shoe pattern that is awkward & detracts from the total experience. No longer. We can walk in circles again! Join us Sat, Aug 8, 10-2pm, for Harrington Bridge Day to celebrate the completion of the bridge across the creek that completes the trail around the Harrington Pond. Harrington & Area Community Association (HACA) has worked in partnership with the Upper Thames River Conservation Authority to build this bridge & wants to invite people from all walks (pun intended) to join in gentle festivities for its official opening. Ceremonies will unfold on the bridge at 11am including live music featuring Harrington's own special musical personalities. Also, playing a significant role will be our future community leaders – that is, children, both local and Coyote Nature School participants who have been learning much about the conservation area. Tours of the historic Harrington Grist Mill be provided at 10am and 12:30pm. Outside the mill, local collector John Hiuser will display "carved cork" bridges. The Harrington Library (branch of Oxford County Library), located just a few dozen metres east of the bridge, will host a free juggling & magic show with Doug the Great at 1pm. Our local floral farm, The Garden in Harrington, will have a booth. Food and refreshments will be available. And, of course, you will be welcome to walk the trail. Contact: Michael Kukhta, michael.kukhta@gmail.com or 905-599-2151.

TRACTOR SKILL GAMES EVENT

We welcome you to join us Sat, Sept 5 (Labour Day Sat) to the Tractor Skill Games event - this is our 5th annual event & each year proceeds go toward Children's Health Foundation, to purchase specific hospital equipment needed desperately by paediatric patients in the London Children's Hospital. This is a family friendly event -- with many children's activities in the Kids' Zone: face-painting, pony rides by Transitions Equine, inflatable bouncy house, inflatable 40-foot obstacle course, wheelbarrow races, sand mountain, corn kernel pit, colouring station lawn games (Plinko, Connect 4, Jenga, etc.), Can Jam, Dunk Tank, and more! Several agricultural & community vendors on site - check out their booths! What is there to eat? Many food vendors on site including JTK Meat Shoppe, Stubbe's Ice Cream Sundaes and Luxury Coffee, Josien's Fine Food & Charcuterie, Oma's Country Oven, and Tilly's Carnival Favourites (cotton candy, popcorn, lemonade, and snow cones). Live Auction with Auctioneer Jared Pettman will take place around lunch time with many great prizes including power tools, kids' farm toys, spa passes & more! A Children's Health Foundation Ambassador Family will speak on their experience and how Children's Hospital changed their life. What happens at this event? We provide 10 tractors (from local farm dealers) in a safely controlled space, 10 competitors compete against each. The games are fun but require some skill - ie. backing up a wagon with a pin on it to pop as many balloons as possible; or lifting up a giant basketball with the tractor bucket & passing it through a giant hoop, etc. All in fun & anyone can participate! Competitors will be judged & awarded points, and compete for the top 3! Top three winners receive a custom welded trophy (and of course bragging rights). Cost to participate is \$30 via e-transfer to tractorskillgames@hotmail.com. Sat, Sept 5. Gates open 10:30am, games 11am-6pm. Admission adults \$15, children 5-12 \$5, and under age 5 is FREE. Cash only, no ATM on site. Our Board of Directors chose to donate towards the Children's Health Foundation, because every child deserves to grow up healthy, strong & happy. Over the past 4 events, we have raised a total of \$69,500. Follow us on Facebook, Instagram, TikTok and watch www.tractorskillgames.ca for updates! Listen for us on our campaign between Aug 17-Sept 4 on Country 104 Radio! We hope to see you out!

NASH BARNETT MEMORIAL CAR SHOW

On Sun, Sept 20, we will be holding the 5th Annual Nash Barnett Memorial Car Show at the Embro Fair. It will be held at the Embro Zorra Community Centre parking lot 10-4pm. Our family first decided to host this event as a way to honour our son Nash who passed away at the tender age of 2 years old in 2020. Nash was a typical little farm boy, loving anything with wheels whether it was his red cozy coupe car he rode around everywhere, the diggers and tractors he played with constantly in the sandbox with his brothers, going for rides in daddy's tractor, or a trip for ice cream in his Opa Gerry's classic car. We know he would have loved a car show like this and been smiling ear to ear. Each year, in addition to providing a community event, we feel it is important to give back to those who need it most. By putting a donation jar out at the car show, we were able to collect funds to support the Nash Barnett Memorial Literacy Fund for A.J. Baker School in the first year, VON Sakura House in memory of Frank VanOstaeyen in our 2nd year, London Children's Hospital Paediatric Liver Program in our 3rd year, and Ronald McDonald House Charity SWO in our 4th year. This year, we will put a jar out again, with donations going toward Canadian Wildlife Federation in memory of a family friend, Dominic Cross. A young 14-yr old boy full of life, adventure, and the best sense of humour you would have ever met. Dominic passed suddenly in January 2026 and we would like to honour him and his family (Trevor and Amy, Amanda and Leanne) by contributing donations in his name, towards a cause he cared so deeply about. He was always outside in nature, loved animals, and absolutely loved fishing. All of these causes have been extremely near and dear to our hearts, and we know how meaningful it will be to many other families facing challenges just like we have. Contributions make a big difference, and help to bring positivity and hope to those who need it. Should you or your business wish to make a donation toward the car show, or toward the donation cause (Canadian Wildlife Federation), we will be happy to help make that happen. We will ensure that our sponsors are recognized for their generous contributions by listing them on the Embro Fair website, promoting them on our social media, and with signage at the Fair. The Fair will also be adding a sponsorship wall that will list all donors for Fair goers from our community to see. Please connect with Nicole to organize your donation. If you wish to volunteer and help out - please reach out as well! And of course if you know someone who would like to participate in the car show with their vehicle or have one of your own, please let us know! All classic, racing, custom, modified, exotic, antique or historical vehicles, motorcycles, snowmobiles, antique tractors... anything you think Nash would love & that is special to you -- we would love to see it! Participation as a car show participant - there is no cost, other than a donation to the Canadian Wildlife Federation in memory of Dominic Cross (at the event). Participant registration is not required, but appreciated. For more information, please connect with Nash's mom, Nicole, call or text 519-533-2208, or email nbarnett221@gmail.com. Thank you for your kind consideration and support, Chris, Nicole, Max, Blake, (Nash), and Gwendolyn Barnett.
