TOPPLING FURNITURE

Criterion Home has always prided itself on supplying quality Furniture for your home. For the last 10 years most of Criterion Furniture items have come with anti-tip kits as standard to help secure your furniture and its contents to make them safe for household members and users. While Criterion wants you to have a beautiful home with elegant furniture, we also want these to be safe.

Our products now come with one of two safety warning labels depending on the type of furniture item it is. These also come with anti-tip kits to secure the furniture item to your wall.
