ABOUT OUR BUSINESS

CMYK is a theme-changing pop-up photobooth that transforms shared moments into personalized, waterproof photo strip stickers or sticker sheets.

We go beyond the traditional photobooth by giving guests the freedom to explore different themes, aesthetics, and layouts while creating a keepsake they can actually use, display, and keep.

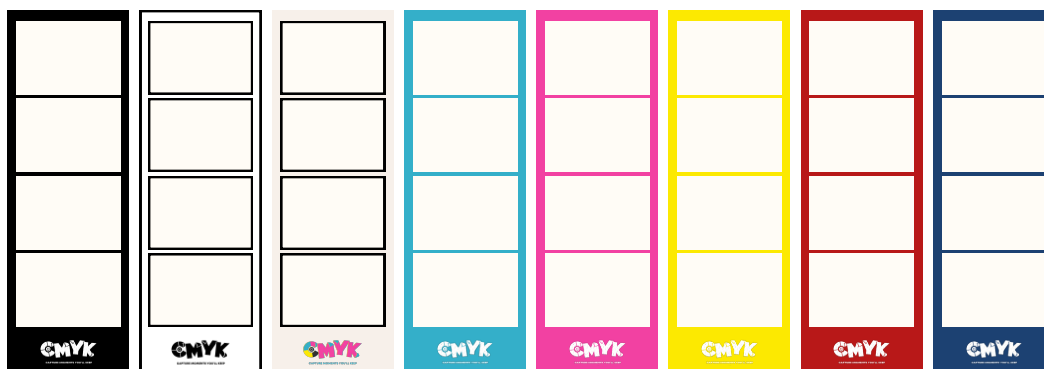

Whether it's a campus event, birthday, corporate gathering, or special celebration, CMYK makes every photo session a fun and creative experience, turning moments into memories that stick.
