## "Connoisseur" II

It is a great pleasure for us to follow up on our first coin auction, organised some years ago including "The Nissan Collection" of gold coins. This time our gratitude goes to Gary T. Athelstan and his wife Gail, as well as to two private collectors participating with a small number of gold coins, though very important ones.

The Athelstan collection of banknotes is breathtaking! He has built this over a lifetime, using his vast net of contacts in the United States, where he was living for most of his life. Also, his network in the Nordic countries was important, not least in Iceland, where he travelled constantly for work as well as for pleasure.

This has resulted in a collection of Icelandic banknotes that is incomparable on private hands, and it is doubtful if even any museum can match his wealth of rarities. His collection of Norwegian banknotes is not far behind, and we are sure that his rarities from Greenland, Faroe Islands, Danish West Indies and other Scandinavian countries will also attract great enthusiasm.

In our plans is a "Connoisseur" III auction, hopefully already next year. If you have an important collection of antique or valuable collectibles, you are most welcome to participate.

We welcome you to take part in this auction and the viewing. Please observe that the auction is held already on September 16, the week before the philatelic auction.

## Mail Bidders!

We always endeavour to simulate the actual auction situation for our mail bidders, you must however beforehand have determined the maximum you wish to pay for each lot and we will ensure that this maximum is not exceeded. Your bids must be in Euro and divisible by 10. The bidding always starts with the second highest mail bid plus the next increase (see conditions of sale sect. 2). The bidding then continues between the bidders in the audience and the highest mail bidder.

Avoid missing out on every item you wanted because of higher bids from others by bidding on many items but limit your total purchase to an amount of your choice (see bid form "my total purchase must not exceed:...excl. commission"). You can for example bid for a sum of € 10 000 but limit your total purchase to € 1 000 or any amount you wish.

You can also bid on two or several items and add "or" in between. We will then make sure that you get only one of these items.

Further, according to your instructions we can for example also raise your bid on one item if it turns out that you got another item less expensive than your highest bid.

Should there be two or more equal mail bids then the first bid received will buy the lot, so please submit your bids as early as possible.

**To ensure you a safe handling of your bids, we need them at least 24 hours before the auction starts.**

## Extra scans on the web!

For every auction we publish thousands of extra scans on our website [www.postiljonen.com](http://www.postiljonen.com) including more or less all certificates of single items and a very large number of collections and lots are scanned in their entirety, further many others with selected pages/scans.

In most cases these lots are marked with a picture of a camera 📷 in front of the lot #. However, sometimes there may also be scans of lots that do not bear the sign. Please check our website for updates.

### More scans at cost

We often get requests for additional scans and sometimes in higher resolutions, sometimes for research or documentation purposes.

Due to time restrictions and limited availability of the lots due to ongoing viewings, we must restrict this service of making further scans on individual requests. In the cases time allows us to supply more scans we will charge for the costs of **€ 10 for each request (maximum 10 scans or photos)**

If more than 10 scans are requested, € 1 per scan will be added. **Must be paid beforehand by credit card, please go to "Payments" on our website.**

## The Gary T. Athelstan Collection Coins & Banknotes

*Picture of Gary with his ancestor  
in Akureyri on Iceland 2005*

This is the fourth time we give a presentation of Gary, it has become quite a pleasant habit. The previous times have been when we offered his philatelic collections, mainly of Icelandic stamps, some of the greatest ever formed, covering many areas and specialties.

This time we have been entrusted Gary's amazing collections of coins and banknotes. Most impressive is the collection of banknotes, mainly from the Nordic countries. The sections of Iceland and Norway are most probably among the best outside of museums, but also Danish West Indies, Greenland and Faroe Islands includes many interesting and rare items.

We are very grateful to Gary and his wife, Gail, for having entrusted us these vast and amazing collections, which were brought together by Gary during many decades. It is a great pleasure for us to present these fantastic items, covering most time periods.

We welcome old and new clients to take part in the auction and we sincerely hope that you will enjoy studying this catalogue.

*Gary on Iceland 2005*

Gary was born in Minneapolis Minnesota in 1936 and started collecting at an early age. His interest began with his Icelandic grandparents. His grandfather came from Akureyri and his grandmother from Seyðisfjörður.

Gary has a PhD in psychology and his career was as a professor at the University of Minnesota. His interests were helping people with physical disabilities as well as with psychological and vocational issues. He lectured at the University of Iceland as a visiting professor in the 1980s on these topics to help develop care for disabled people.

He also travelled to Iceland to visit relatives, to play in bridge tournaments and to explore the country. His great-great grandfather was the founder of the Good Templars organization, and his home is kept as a museum in Akureyri.

In addition to collecting stamps, coins and banknotes, he also enjoyed fishing, bridge, and travel. He is married to a second generation Hungarian-American, which got him started also on collecting Hungarian philately.

## Conditions of Sale

- 1, The auction is voluntary and lots are sold on behalf of the vendor to the highest bidder. The prices indicated against each lot are starting prices and not minimum prices. It must, however, be pointed out that the starting prices should reflect a low commercial value.
- 2, All bids must be submitted in Euro to which is added 25% commission incl. Swedish V.A.T. Lots not picked up, are shipped on buyers risk. Shipping cost (minimum Euro 30), insurance and charges on credit card payments will be added.  
Exception: Only 20% commission, excl. Swedish V.A.T., only for
  - a. Export to countries outside of EU.
  - b. V.A.T. registered dealers inside of EU, *but outside of Sweden*, who forward their V.A.T. registration number in good time before the auction.

Lots marked • in front of the lot numbers are subject to import V.A.T. 12% will be added to the hammer price, except for a and b above. Invoicing instructions must be received before or during the auction. Invoices can not be changed afterwards.

The bids are increased as follows:

|                  |                      |                          |
|------------------|----------------------|--------------------------|
| 0 – 200€ 10€     | 1.000 – 3.000€ 100€  | 10.000 – 30.000€ 1.000€  |
| 200 – 500€ 20€   | 3.000 – 5.000€ 200€  | 30.000 – 100.000€ 2.000€ |
| 500 – 1.000€ 50€ | 5.000 – 10.000€ 500€ | 100.000€ – 5.000€        |

Bids not corresponding with these steps might be reduced.

- 3, Bids submitted are binding, and cancellation is only acceptable if received simultaneously with the bid. If bids are given on behalf of others, then the bidder is himself responsible for the fulfilment of the conditions of sale. The bidder is responsible for faulty mail bids and the same applies in misunderstandings in bids submitted by telephone, fax or through internet live-bidding. The bidder is personally responsible for any and all his purchases in the auction.
- 4, Mail bids are dealt with conscientiousness, but without further responsibility to the auctioneer. The auctioneer reserves the right to regroup, split up or withdraw lots and can in case of misunderstandings or disagreements annul the bids and restart the bidding. The auctioneer can also withhold the assignment to undesirable persons or refuse them admittance to the auction-room without explanation. In case of two equal mail bids for the same object, this will be sold to the bidder whose bid was the first received. The mail bidder can write alternative bids and/or indicate a total maximum purchase limit.
- 5, Payment is made in advance based on an advance invoice. The ownership of the objects remain with the vendor until the full invoice amount has been paid. If payment is not received 8 days from the invoice date, 2% interest per month is charged together with a fee of 10€. To this may be added additional documented expenses. Has payment not been received 30 days after the invoice date or has the buyer refused to pay, then the objects in question can, without further notification, be re-auctioned at the expense of the buyer.
- 6, Lots are conscientiously described but faults may occur. Claims must be made at the latest 10 days after receipt of the lot and full payment has been made with reference to the invoice number. If a claim is accepted, the full hammer price + commission and eventual V.A.T. is refunded. Interest compensation can not be made.
- 7, Request for extension must be made immediately and within 8 days from receipt. Certifier must be approved by the auctioneer. In case of a claim the auctioneer may demand a certificate from a well-known expert. Objects with certificates may, if the auctioneer regards it as justified, and if the original certifier is approved by the auctioneer, only be returned if two other well-known experts have certified a different opinion. Coins/banknotes with visible defects on photo can not be claimed. Returned objects must be in the same condition as when received. Lots of more than three coins/banknotes can not be claimed if one of the items has a minor defect. Collections and mixed lots are sold as is. A difference of approx. 10–20% must be accepted by the buyer.
- 8, Submission of verbal or mail bids means that the bidder has accepted above conditions.
- 9, Swedish law is applicable.

Catalogue numbers next to the object number is based on Krause Publications, World Paper Money.

3. Avgivet bud är bindande och budgivaren är personligt ansvarig för samtliga av honom gjorda inrop. Annullering av bud kan ej ske, såvida den inte är oss tillhanda senast samtidigt med buden. Vid bud för annans räkning ansvarar budgivaren för att försäljningsvillkoren uppfylles, som vore det eget bud. Budgivaren är också ansvarig för av honom gjorda fel i auktionsuppdraget. Likaså vid obekräftade telefon- och faxbud, eller genom internet livebudgivning, svarar budgivaren för ev. fel och missuppfattningar.

4. Auktionsuppdrag behandlas så omsorgsfullt som möjligt, dock utan några andra åtaganden från auktionärens sida. Auktionären äger rätt att ej godtaga bud, samt att dra tillbaka, omgruppera eller dela objekt. Auktionären har också rätt att avvisa personer från auktionen och avböja bud utan att ange skäl härför. Han förbehåller sig rätten att vid missförstånd eller meningsskiljaktigheter utlysa ny budgivning. Vid två eller flera lika bud på samma objekt från uppdragsgivare, tillfaller objektet den som först inkommit med bud. Vid auktionsuppdrag kan reservobjekt medtagas, eller också kan den totala köpesumman begränsas till visst belopp.

5. Betalning sker kontant, mot postförskott eller mot förskottsfaktura. Objektet förblir säljarens egendom tills full likvid erlagts. Likvid skall erläggas inom 8 dagar från fakturadatum. Vid senare betalning debiteras ränta med 2% per påbörjad månad, räknat på fakturabeloppet, samt kravavgift med 10€. Dessutom kan ytterligare kravkostnader tillkomma. Har likvid ej inkommit 30 dagar efter fakturadatum eller om köparen vägrar betala, kan objektet utan ytterligare meddelande säljas på köparens bekostnad.

6. Objektet är omsorgsfullt beskrivna, dock kan smärre fel förekomma. Ev. reklamation måste göras senast 10 dagar efter det att objektet levererats. Vid all korrespondens bör fakturanummer anges. Vid godkänd reklamation återfår köparen auktionspris plus provision och eventuell moms. Rantegottgörelse kan ej påräknas.

7. Begäran om förlängd reklamations tid för att köparen önskar sända objekt för expertundersökning, måste ske omgående och inom 8 dagar efter mottagandet av objektet. Experten måste godkännas av auktionären. Auktionären kan vid reklamation kräva intyg från en opartisk, välkänd expert. Objekt med äkthetsintyg kan, om auktionären så anser befogat, och om det ursprungliga intyget är utfärdat av en godkänd expert, endast returneras om minst två opartiska och välkända experter har en avvikande mening. Defekter synliga på foto kan inte ligga till grund för reklamation. Reklamation kan ej heller ske om objekt förändrats genom någon slags behandling. Poster innehållande fler än tre objekt kan inte returneras på grund av smärre defekter på enstaka objekt. Samlingar och partier säljes i befintligt skick och kan inte returneras. En differens på 10–20% måste kunna accepteras av köparen.

8. Avgivande av muntligt bud eller auktionsuppdrag innebär godkännande av ovanstående villkor.

9. Svensk lag gäller.
