CHILDREN'S DYSLEXIA CENTER - CLEVELAND

SPOTLIGHT

The weather finally cooperated for the Walk, and we are so grateful to everyone who came out to join us! Thank you to all who walked, donated, and sponsored the event. It was a wonderful day filled with meaningful conversations, lots of laughter, and a great sense of community.

October is Dyslexia Awareness Month!

We're excited to kick off the month with dyslexia simulation for our tutors, trainees, and staff. This experience will provide a deeper understanding of the challenges individuals with dyslexia may face and help us continue to strengthen the support we provide. Our program continues to grow! We currently have 8 trainees, 3 tutors, and 1 administrative assistant serving 22 children in our community.

If you have any questions about our Center, interested in learning more about our tutoring program or joining the waitlist, **I can be reached at:**
