BLUE RIDGE (ROPE) BAG

Friday, September 18 • 9:30 AM - 3:00 PM

The Blue Ridge Bag is an intermediate rope tote featuring a nifty handle - with an option to wear crossbody style or as a shoulder bag! This pattern from The Mountain Thread Company features 5/16" rope, and give endless possibilities for customization - fabric wrapping, beads, fancy knots, you name it!

The Blue Ridge Bag measures approximately 6" wide, 12" long and 8" tall.

****Wondering if your sewing machine can do this?** If you have hemmed jeans/pants, sewn canvas, or stitched through multiple fabric layers with your machine, then the answer is most likely 'yes.' If you've tried to do any of the previous sewing projects and your machine gets cranky and refuses to play, this might be more of a challenge for you. But, since each machine is different, this is up to you!

This is an intermediate rope sewing project for sewists who are confident in steps like changing the machine needle, adjusting stitch length and width, pivoting, and tight turns. Prior rope sewing experience may be helpful, though not necessary.

Check out our [tutorial videos](#) to preview coiled rope basketry techniques! This pattern includes step-by-step instructions with detailed photos and graphics, plus loads of tips and tricks.

SUPPLIES:

- 40 Yards of The Mountain Thread Company's custom braided 5/16" rope (or 65 yards of 3/16" rope)
- Denim Needles size 100/16.
- One Large (1422-Yard) Spool of Aurifil Thread
- Sewing Machine with Zigzag Stitch
- Scissors
- Pins

CLASS FEE: \$50 + pattern and rope

Bring your sewing machine, scissors, pins, fabric scraps, glue stick, denim needles, and quality thread like Aurifil or Isacord, and get ready to transform simple rope into a stunning bag!
