SUPER AREA WORK DAY 2026

Greetings, Far West Region!

It is my honor to welcome you to Super Area Work Day 2026, and oh what a fitting place to gather: Los Angeles, California. Every plan needs a place to break ground, and this region has always been mine. Long before I became your National Program Director, I was a Jack and Jill mother living, working, and raising my family right here as a proud member of the Los Angeles Chapter, the oldest chapter in the West. Being in this city for this Work Day is more than a scheduling coincidence; it is a full-circle moment, and I could not be prouder to spend it with you.

When I set out The Blue Print as the platform for my second term as your national programming leader, I described it exactly as the name suggests: a detailed plan deliberately carried out by each region and chapter. A blueprint on its own is just paper and lines. It only becomes something real when the people holding it start to build. That is precisely what Far West Region is doing with this year's Super Area Work Day theme, EXCELlence Unlocked. Empowered. Equipped. Executing. If The Blue Print is the design, EXCEL*lence* Unlocked is the proof that the design is working. It is what happens when a region takes the plan off the page and turns it into Mothers who lead, Teens who serve, and Chapters that execute with excellence.

The 2026-2027 program year marks the first year of my second term as your National Program Director, and I am energized by what lies ahead. Nationally, we are continuing to build upon the Blueprint's core priorities—strengthening our programming, expanding leadership development for mothers, teens, and associates, deepening our community service impact, and equipping every chapter with the tools and resources to operate at the highest level of excellence.

And here in the Far West, we can already see that Blueprint coming to life. Hundreds of mothers and teens are coming together ready to learn, ready to lead, ready to serve—and, most importantly, ready to execute.
You are being empowered with purpose, equipped with the tools, and prepared to put both into action. That kind of energy, readiness, and intentionality is exactly what the Blueprint was designed to unlock.

None of this happens without the leaders in this room. So, thank you, Far West Region, for continuing to prioritize Super Area Work Day and for recognizing the importance of creating space for our members to learn, connect, and grow. This is where we get down to the business of Jack and Jill at the regional level—where best practices are shared, questions are answered honestly, ideas are exchanged, and every member leaves better empowered, better equipped, and better prepared to contribute meaningfully to the work of her chapter.

Because ultimately, that is what this is about: taking what we learn and putting it to work. That is exactly what the Blueprint calls us to do, and exactly what EXCELlence Unlocked challenges the Far West Region to do this year: be empowered, be equipped, and execute with excellence.

Congratulations to the Regional Executive Board on what I know will be another well-executed and ELITE Super Area Work Day. Thank you for your leadership, your preparation, and your commitment to this organization and the families we serve.

Welcome to Los Angeles!

EXCEL*lence* Unlocked: Empowered. Equipped. Executing.

Far West Family,
It is with tremendous excitement and Far West pride that I welcome our mothers, teens, associates, and fathers to **Super Area Work Day 2026 in Los Angeles, California!**

As your Regional Director, there is something especially meaningful about welcoming our ELITE Far West Family to my home city. Los Angeles is a city of dreamers, innovators, leaders, and changemakers—a city where bold ideas become reality—and I cannot think of a better backdrop for us to gather, grow, connect, and unlock what is next for the Far West Region.

Last year, we declared that we were Destined to Excel.

And Far West, we did exactly that. We excelled.

We raised the bar. We strengthened our chapters. We created meaningful experiences for our children. We served our communities. We embraced new ideas, challenged ourselves to grow, and continued building upon the incredible legacy entrusted to us.

But being destined for excellence was only the beginning.

This year, we unlock the next level.

Welcome to EXCEL*lence* Unlocked: Empowered. Equipped. Executing.

We are **EMPOWERED** to lead boldly, confidently, and with purpose.

We are **EQUIPPED** with the knowledge, resources, relationships, and tools necessary to strengthen our chapters and elevate the experiences we create for our families.

And we are **EXECUTING**—moving beyond ideas and intentions to action, impact, and results.

Throughout this weekend, I encourage you to be fully present. Ask questions. Share ideas. Build relationships. Reconnect with old friends and make new ones. Learn something that challenges you. Take something home that strengthens your chapter. Most importantly, embrace the opportunity to experience what happens when nearly 30 chapters across six states come together as ONE Far West Region.

I also extend my heartfelt appreciation to the host chapter **South Los Angeles, Chapter President Medell Briggs-Malonson and Chair Cynthia Brockman-Coleman,** for opening your city and your hearts to the entire Far West Region. Thank you for the countless hours, creativity, hospitality, and attention to detail you have poured into creating an unforgettable Super Area Work Day experience. We are grateful for your leadership and excited to experience Los Angeles through the spirit of South LA!

As you enjoy this weekend, I hope you experience the energy, culture, history, food, entertainment, and unmistakable spirit that make Los Angeles so special. More importantly, I hope you leave SAWD energized, inspired, connected, and ready to EXECUTE.

Far West, the door has been opened.

The tools are in our hands.

The possibilities are in front of us.

EXCEL*lence* has been UNLOCKED. Now it is time to show what we can do with it.

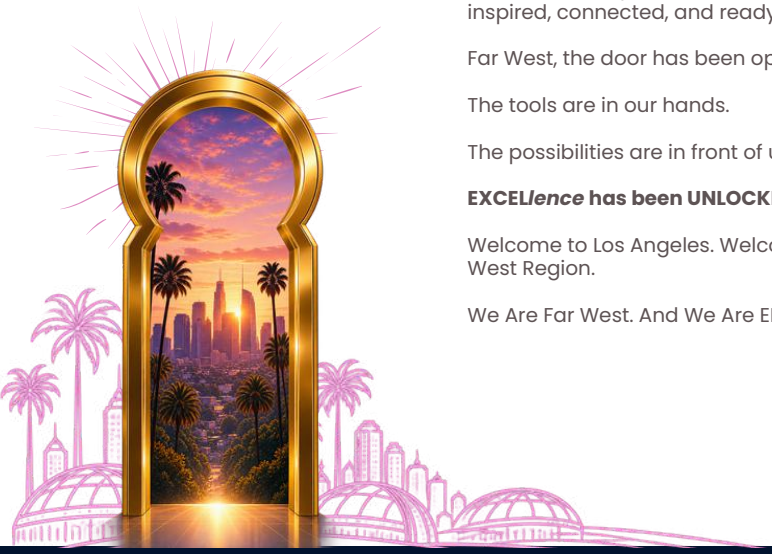

Welcome to Los Angeles. Welcome to Super Area Work Day 2026. And welcome to the next level of our ELITE Far West Region.

We Are Far West. And We Are ELITE!

With pride and purpose,

Monique Arrington

HOST CHAPTER

SOUTH LOS ANGELES

TWO-TIME FIVE STAR CHAPTER

GREETINGS FROM THE HOST CHAPTER PRESIDENT

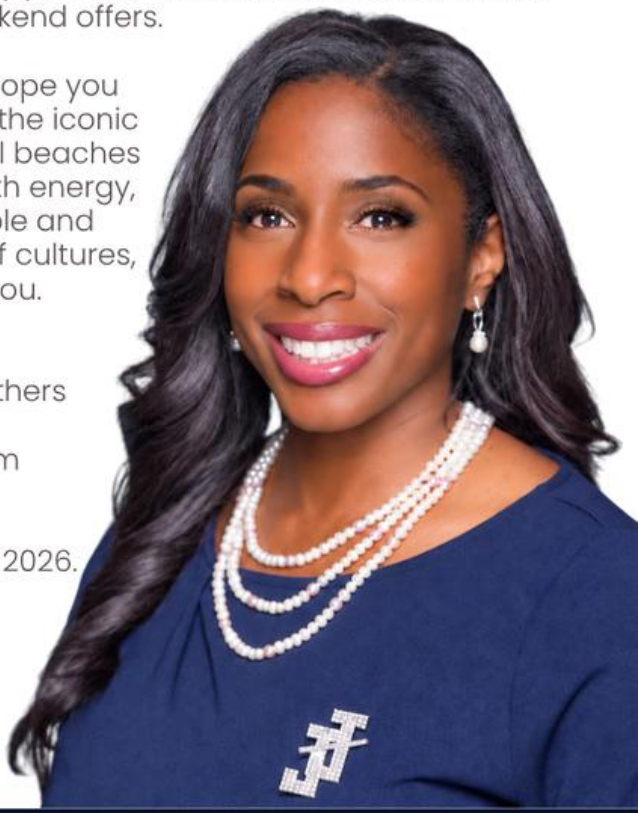

Empowered Leadership Inspired To Excel
ELITE
Jack and Jill of America, Inc.
FAR WEST REGION

Dear Far West Region Mothers, Fathers, Teens, Associates and Distinguished Guests,

On behalf of the South Los Angeles Chapter of Jack and Jill of America, Incorporated, it is my great joy and honor to welcome you to the 2026 Far West Region Super Area Work Day and to our beautiful City of Angels.

Our theme, EXCELence Unlocked: Empowered, Equipped, Executing, reflects both who we are and what we have gathered to do. Excellence is not simply an achievement; it is what becomes possible when purpose, intention, and collective strength move together.

Super Area Work Day is more than a gathering. It is a time to learn from one another, renew our joint purpose, strengthen the bonds that unite us, and return to our chapters inspired and prepared to lead within our chapters and communities. I encourage you to be fully present, welcome new connections, exchange ideas freely, and embrace every opportunity this weekend offers.

As you learn, connect, and rejuvenate during this weekend, we hope you will also experience the extraordinary spirit of Los Angeles. From the iconic Hollywood Sign and championship sports teams to our beautiful beaches and world-renowned arts and entertainment, our city is alive with energy, creativity, and love. Its greatest beauty, however, lives in its people and neighborhoods. The Los Angeles area offers a vibrant tapestry of cultures, histories, and culinary delights that we are proud to share with you.

In closing, I extend my deepest gratitude to the Sensational and Luminary South Los Angeles Chapter. The South Los Angeles mothers have poured their time, talent, and love into every detail of this experience. Their hard work reflects sisterhood in action, and I am immensely proud to serve alongside them.

Welcome to Los Angeles. Welcome to FWR Super Area Work Day 2026. Together, let us unlock what is possible.

With pride, gratitude, and sisterly love,

MEDELL BRIGGS-MALONSON, MD

MOTHERS WORKSHOPS

RAISING CONFIDENT BLACK CHILDREN: PREPARING THEM FOR THE WORLD WITHOUT DIMMING THEIR LIGHT

Age-appropriate strategies to help children build a strong sense of identity and navigate race, bias, and spaces where they may be “the only one,” while equipping them to move through the world with confidence, awareness, and self-worth.

THE ONLY ONE IN THE ROOM: LEADING WITH AUTHENTICITY WHEN YOU’RE ALWAYS VISIBLE

Every move can feel watched and every misstep magnified, while the full person is still rarely seen. This session explores the quiet labor of code-switching, self-editing, and softening yourself in spaces not always built with you in mind, and offers practical ways to lead with authenticity without disappearing.

SECURE THE BAG, BUILD THE LEGACY

Practical strategies to help women make intentional decisions about investing, retirement, insurance, estate planning, and generational wealth, while building greater financial confidence and long-term security for themselves and their families.

THE MIDLIFE RESET: UNDERSTANDING PERIMENOPAUSE AND MENOPAUSE

An empowering look at the physical, emotional, cognitive, and hormonal changes of midlife, with practical strategies to help women feel informed, equipped, and confident in managing symptoms and protecting their long-term health.

ONE FAMILY, DIFFERENT CHILDREN: PARENTING THE CHILD IN FRONT OF YOU

Explore how understanding each child’s personality, temperament, and communication style can help parents unlock their strengths, respond more effectively to individual needs, and feel better equipped to help each child thrive.

MOTHERS WORKSHOPS

BEYOND SUPERWOMAN: RELEASING THE PRESSURE TO DO IT ALL

A thoughtful exploration of the pressures many women carry, from perfectionism and invisible labor to burnout and difficulty asking for help. This session will offer practical strategies for setting boundaries, protecting well-being, and redefining strength in a way that allows women to feel more grounded, supported, and equipped to thrive.

SMARTER, NOT BUSIER: USING AI TO SIMPLIFY LIFE AND LEADERSHIP

A practical, hands-on look at how AI can help mothers work more efficiently at home, at work, and within Jack and Jill. Participants will explore ways to streamline planning, communication, scheduling, research, and event coordination while building confidence in using AI thoughtfully, effectively, and with attention to privacy.

FROM MEMBER TO LEADER: FINDING YOUR PATH IN JACK AND JILL

A practical look at chapter, area, and regional leadership opportunities, designed to help mothers identify their strengths, understand where they can contribute, and feel more equipped to step into leadership with confidence and purpose.

GREETINGS FROM THE REGIONAL TEEN PRESIDENT

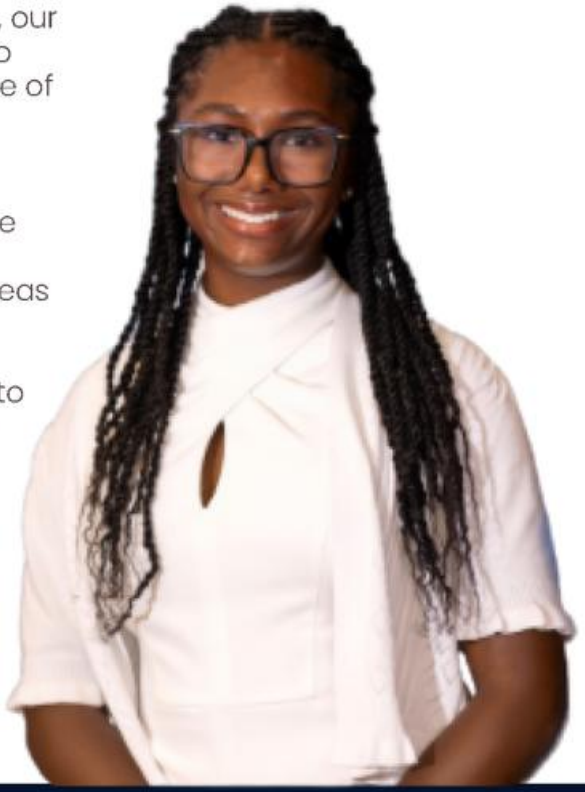

Empowered Leadership Inspired To Excel
ELITE
Jack and Jill of America, Inc.
FAR WEST REGION

Dear Far West Teens,

Welcome to Super Area Work Day! I am so excited to have you in Los Angeles and even more excited for us to spend this time learning, connecting, and growing together as young leaders across the Far West Region.

This year, our theme is "EXCELlence Unlocked: Empowered. Equipped. Executing." To me, this theme represents exactly what we are capable of when we recognize our potential and choose to put it into action. We are not just here to attend another event! We are here to unlock the excellence that already exists within each of us.

Throughout your time, I encourage you to be empowered to use your voice, equipped with the knowledge and tools to lead, and committed to executing the ideas that can make a difference in our chapters, our communities, and beyond. Take advantage of every opportunity to ask questions, meet someone new, share an idea, and step outside of your comfort zone.

Remember, leadership isn't about having every answer. It is about being willing to learn, collaborate, and take action. I hope you leave Super Area Work Day feeling more confident in yourself, more connected to your fellow Far West teens, and ready to turn your ideas into impact.

Thank you for showing up, bringing your energy, and being willing to EXCEL. I can't wait to see how each of you unlocks your excellence!

In service,

KAMRYN LEVY

TEEN WORKSHOPS

BEHIND THE WHITE COAT: MEDICINE UP CLOSE

Behind the White Coat: Medicine Up Close takes teens beyond the textbook and into the exciting world of healthcare through a hands-on, interactive medical experience. Working alongside healthcare professionals, teens will rotate through stations where they can practice safe introductory medical skills, solve patient cases, explore medical technology, and discover the many careers that make up a healthcare team.

This workshop allows teens to experience how science, teamwork, communication, critical thinking, and compassion come together in real-world medicine.

BRAND YOU: YOUR STORY, YOUR STRENGTH

Brand You is a fast-paced, interactive workshop that helps teens identify their strengths and confidently present themselves for leadership, college, scholarships, internships, interviews, and future opportunities. Teens will learn that their personal brand includes not only what they say and do, but also how they present themselves, dress for the occasion, communicate, and make a first impression.

KNOW YOUR WORTH: HEALTHY FRIENDSHIPS, DATING & BOUNDARIES

Know Your Worth: Healthy Friendships, Dating & Boundaries is an interactive teen workshop focused on building confidence and developing healthy relationships. Through hands-on activities, real-life scenarios, and group discussions, teens will learn to recognize healthy and unhealthy behaviors, set and respect personal boundaries, communicate effectively, and navigate friendships, dating, peer pressure, and social media. Teens will leave empowered to know their worth, protect their peace, respect others, and choose relationships built on trust, respect, and mutual support.

TEEN WORKSHOPS

COLLEGE READY: BUILD A STANDOUT APPLICATION

This interactive, student-focused workshop will help scholars understand how to intentionally build a strong and competitive college applicant profile throughout high school. Students will explore how academics, course selection, leadership, extracurricular activities, community involvement, personal interests, accomplishments, and life experiences work together to tell their unique story to colleges and universities. While the strategies presented can strengthen applications to colleges and universities nationwide, the workshop will provide a special focus on the University of California (UC) system, including UC admissions expectations, comprehensive review, A–G requirements, and ways students can build a profile that goes beyond simply meeting minimum eligibility requirements.

Through hands-on activities, students will identify their individual strengths, interests, accomplishments, and areas for growth while learning how to effectively communicate their experiences within a college application. Students will leave with a personalized college-readiness roadmap outlining actionable steps they can take throughout high school to become stronger, more confident, and more competitive college applicants.

SPEAK UP: FIND YOUR VOICE AND USE

Speak Up: Find Your Voice and Use It is a high-energy, hands-on public speaking workshop designed to help teens discover the power of their voice and develop the confidence to use it. Inspired by a Toastmasters-style speaking experience, this workshop moves teens from simply talking to communicating with purpose, confidence, and impact.

Through quick speaking challenges, impromptu topics, peer feedback, and a final mini speech, teens will practice thinking on their feet, organizing their thoughts, speaking clearly, making eye contact, using confident body language, and connecting with an audience.

TEEN WORKSHOPS

BEYOND THE GAME: CAREERS IN SPORTS

Beyond the Game: Careers in Sports is an interactive career exploration workshop designed to introduce teens to the wide range of professional opportunities that exist throughout the sports industry. Students will discover that careers in sports extend far beyond playing on the field or court and include areas such as sports medicine, athletic training, broadcasting, journalism, marketing, law, finance, data analytics, event management, coaching, photography, social media, operations, and sports management.

Through hands-on activities, career challenges, and team-based scenarios, teens will explore different sports careers, identify the education and skills connected to each profession, and discover which opportunities align with their own strengths and interests.

MONEY MOVES: THE REAL-LIFE MONEY CHALLENGE

Money Moves: The Real-Life Money Challenge is a fast-paced, hands-on financial literacy experience that puts teens in control of their money. Instead of simply hearing about finances, teens will earn, budget, spend, save, invest, and respond to unexpected financial situations while learning how money moves in the real world.

Through a simulated paycheck, real-life expenses, an investing challenge, and an "Influencer Effect" activity, teens will experience how everyday decisions can impact their financial future.

RESET MODE: STRESS LESS. RECHARGE MORE.

Reset Mode: Stress Less. Recharge More. is a fun, hands-on workshop that helps teens recognize stress, understand what drains or restores their energy, and develop practical strategies for staying grounded when life gets overwhelming. Through movement, games, reflection, group discussion, and real-life teen scenarios, participants will explore healthy coping strategies, emotional regulation, asking for help, and supporting friends without carrying everything themselves.

LEAD TEEN ADVISOR GUIDE

ORATORICAL ELIGIBILITY FAQ

DIVISIONS • AGE • CHAPTER REPRESENTATION

1 WHAT AGES ARE IN EACH DIVISION?	Division I: Ages 13–15. Division II: Ages 16–19.
2 HOW MANY CONTESTANTS MAY A CHAPTER ENTER?	One per division—up to two contestants total. A chapter may enter one or both divisions.
3 WHERE DOES A 13-YEAR-OLD HIGH SCHOOL STUDENT COMPETE?	At Super Area Work Day.
4 WHERE DOES A 13-YEAR-OLD MIDDLE SCHOOL STUDENT COMPETE?	At the Middle School Youth Symposium.
5 CAN A CHAPTER HAVE TWO DIVISION I REPRESENTATIVES?	No. Only one Division I representative may advance, regardless of eligibility pathway.
6 WHEN IS THE SIGN-UP DEADLINE?	October 18.
7 WHAT IF MULTIPLE TEENS ENTER THE SAME DIVISION?	Hold a fair chapter-level competition—virtual or in person—and select one representative.
8 WHAT IF ONLY ONE TEEN ENTERS A DIVISION?	The teen should still present so eligibility, timing, content, and readiness can be verified.

ONLY ONE REPRESENTATIVE PER DIVISION

FAR WEST REGIONAL RUTH B. HOWARD TEEN ORATORICAL COMPETITION

THEME: Passing the Torch

COMPETITION GUIDELINES: The Far West Regional Ruth B. Howard Teen Oratorical Competition showcases the oratorical talents of our teens. The competition consists of three phases:

1. Chapter Level
2. Area Level
3. Regional Level

The competition is divided into two divisions:

- Division I: Ages 13 to 15
- Division II: Ages 16 to 19

The journey begins at the Chapter level where each Chapter prepares and selects contestants. Chapters may enter contestants in one or both divisions, up to one candidate per division. It is encouraged that contestants work closely with their Teen Advisors to refine their speeches and presentation skills.

The competition continues at Super Area Work Day, with simultaneous contests held for the Northern and Southern Areas. Contestants from each area (Northern and Southern) compete within their respective divisions. First and second place winners in each division, for both Northern and Southern Areas, will be awarded certificates. These winners will then be eligible to compete at the Regional level/Teen Conference. There, the overall winners for Division I and Division II will be announced and celebrated.

FAR WEST REGIONAL RUTH B. HOWARD TEEN ORATORICAL COMPETITION IN SUMMARY:

- Three Phases:
- Phase 1: Chapter Level – Contestants are selected and prepared within their Chapters. Selected candidates from Chapters advance to the Area Level.
- Phase 2: Area Level – Chapter representatives compete at Super Area Work Day (simultaneous competitions for Northern and Southern Areas). First and second place winners in each division advance to the Regional Level.
- Phase 3: Regional Level – Top winners from each Area compete for the overall title in their divisions at Teen Conference.

FAR WEST REGIONAL RUTH B. HOWARD TEEN ORATORICAL COMPETITION

- Two Divisions:
  - Division I: 13 to 15 years
  - Division II: 16 to 19 years

- Recognition:
  - Certificates will be awarded to first and second place winners of each division at Super Area Work Day
  - Overall winners in each division will be celebrated at Teen Conference
- Recognition:
  - Certificates will be awarded to first and second place winners of each division at Super Area Work Day
  - Overall winners in each division will be celebrated at Teen Conference

NOTE TO CONTESTANTS: *We're excited to offer this competition to showcase the talents of our Teens. Please note that first and second place winners in each division are expected to compete at Teen Conference, so we ask that all contestants enter with plans to attend Teen Conference if selected. While we understand plans can change, we expect our Area winners to represent their regions (Northern or Southern) at Teen Conference. Participation throughout all phases helps to maintain the integrity of the competition and allows us to celebrate participants' achievements on a larger platform.*

OUR GREATNESS

Takeda

When you join a clinical trial, you can help improve health for yourself, your family, and your community.

WeConnect with **Communities As Partners** is making it easier for people to understand, find and connect to clinical research.

WeConnect

Takeda

If you're a patient, caregiver, or advocate – WeConnect can help you discover Takeda clinical trials for you or a loved one.

Whether you're taking your first step into clinical trials or looking for specific information, we're here to make the process clear and straightforward.

By signing up, you join a community of patients, caregivers, advocates, and professionals dedicated to improving health. You'll also get access to information about new medical research.

Hope for Better Health:

If standard treatments haven't worked or if you're unable to tolerate side effects, clinical trials may provide another option.

Contribute to Medical Knowledge:

By participating, you contribute to advancing our understanding of diseases and investigational treatments.

Better Research for All:

Diverse participation in clinical research helps us to understand how investigational drugs may work in different patient populations.

Our age, gender, race, ethnicity, whether we live with a disability, and even where we live—can influence how we respond to medications.
