Care you can put your faith in

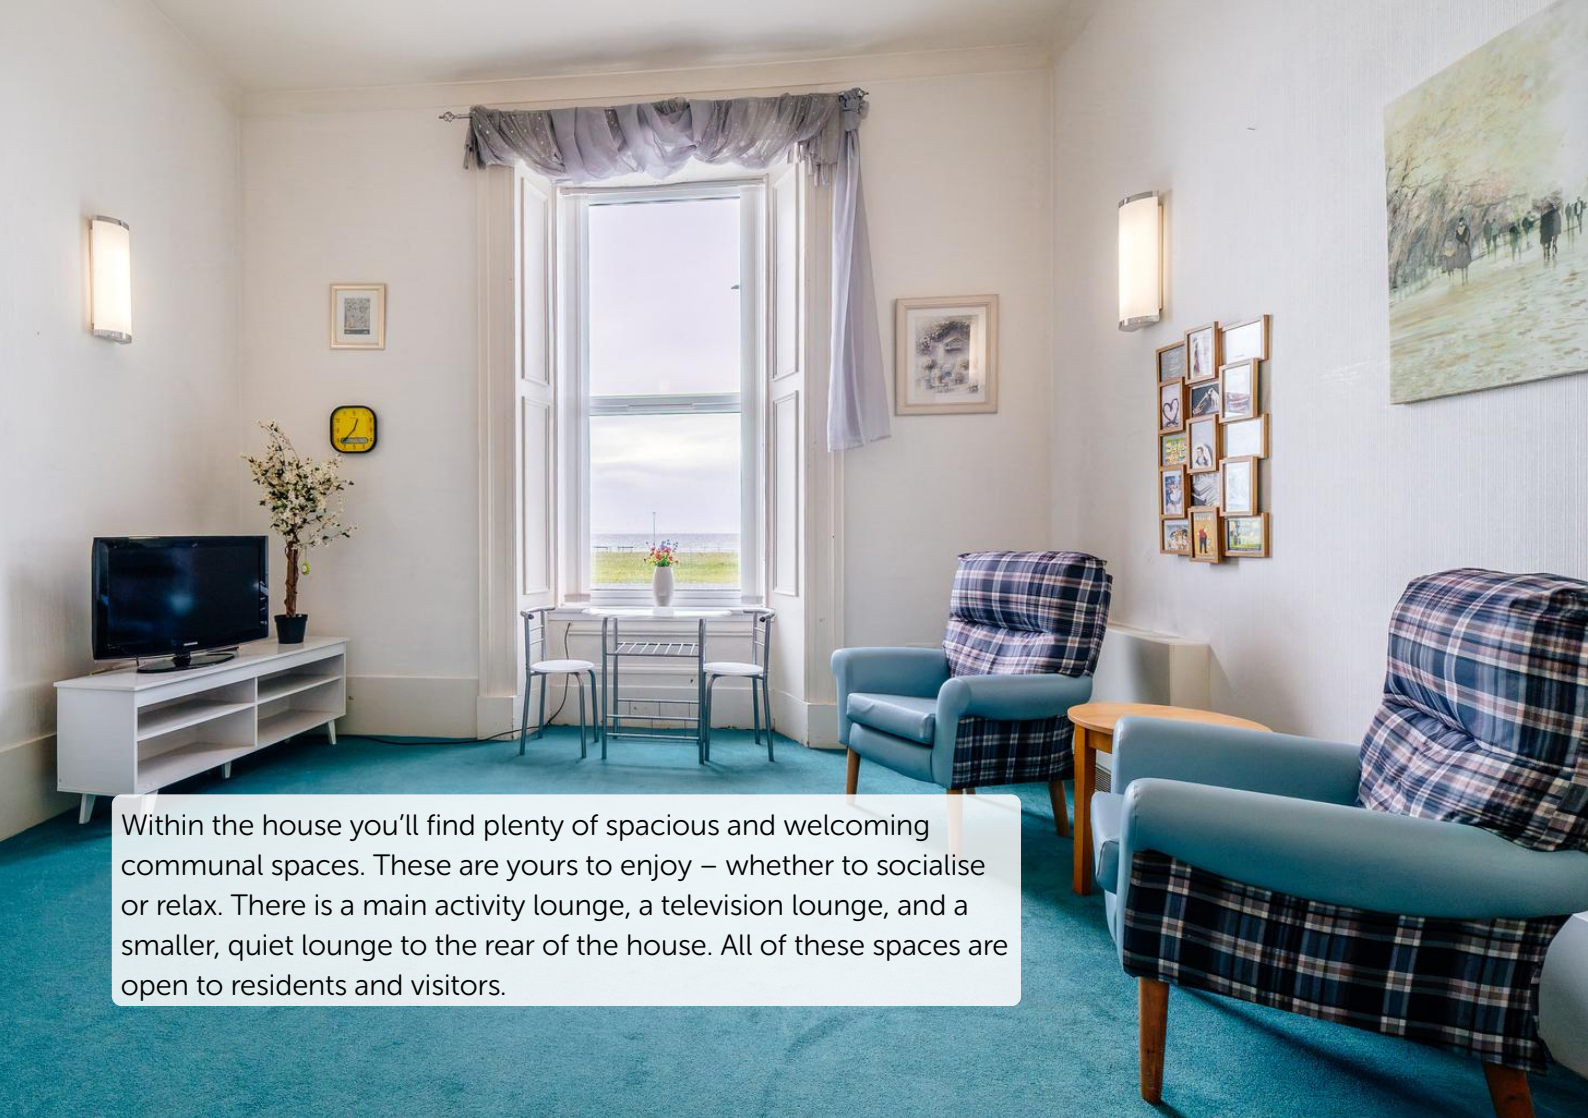

South Beach House

Residential Care Home

South Beach House is a residential care home for up to 39 people. Situated on the seafront of Ardrossan, South Beach House is a warm, welcoming and active place where residents are encouraged to make the most of every day. Our aim is to foster dignity and independence for everybody under our roof. We're all about focusing on all the things that make you happy – whether that's strolling along the beach, learning a new skill or simply enjoying some down time.

Within the house you'll find plenty of spacious and welcoming communal spaces. These are yours to enjoy – whether to socialise or relax. There is a main activity lounge, a television lounge, and a smaller, quiet lounge to the rear of the house. All of these spaces are open to residents and visitors.

There is also a dining room and kitchen in the conservatory area. Meal times are flexible and our motto in the kitchen is...“open all hours”.

Each of our 39 rooms feature double glazing, central heating and a 24-hour call button service. All of the rooms also have en-suite facilities.

You are welcome to personalise your bedroom by bringing in your own furnishings, pictures and ornaments.

Special features in the home include a hairdressing room and a Namaste therapy room.

Our main outside space is about as special as it gets – the seafront. South Beach House overlooks the ocean, boasting spectacular views of the Isle of Arran. We are also lucky to have our own garden with its own summer house, perfect for when the warmer months come around.

Our staff are chosen because they're warm, generous, caring people who love what they do. But they're also highly trained, to ensure you receive the highest standards of care and the right level of support.

Families play a vital role at South Beach and in improving the wellbeing of your loved one. We welcome your input into their Personal Plan, as well as your involvement in activities and initiatives that will improve the quality of life for all our residents.

At CrossReach we have been showing the practical side of our Christian faith for over 150 years.

We advocate acceptance, inclusion and diversity at CrossReach. Each and every one of our care homes are open to all and we are proud to support people from all faiths, cultures and backgrounds.
