Focus Lines

ACP	Potentiometer, Trimmer
DIPTRONICS	DIP switches, Rotary coding switches, Limit switches, Multi-function switches, Slide switches, SIP switches, Push-buttons, Short-stroke pushbuttons, Ladder plate push-buttons
HTR	Wire resistors, Fuse resistors, Current measuring resistors
muRata INNOVATOR IN ELECTRONICS	Ceramic Capacitors, EMI Filters, EMI Suppression, Fixed Inductors, Thermistors, Ceramic Resonators, Interference Suppression Capacitors
SAMSUNG	Ceramic Capacitors
Viking	CHIP resistors, Wire wound resistors, EMI filters, EMI suppression, Solid inductors, Ceramic capacitors, Carbon film resistors, Power resistors, MELF resistors, Metal oxide resistors, Metal film resistors, Resistor network
VISHAY	Tantalum Capacitors, Chip-Resistors, MELF Resistors, Schottky Diodes, Diodes, Rectifiers, Ceramic Capacitors, Zener Diodes / Z-Diodes, Metal-Film Resistors, Rectifiers, Wirewound Resistors, TVS Diodes / ESD Diodes, Electrolytic Capacitors, Bridge Rectifiers, Interference Suppression Capacitors
Weltron ELEKTRONIK GMBH	Blister packs, Single rotary potentiometer, Tandem rotary potentiometer, Top-hat rail housing
YAGEO GROUP	CHIP Resistors, Ceramic Capacitors, Resistor Networks, Carbon-Film Resistors, Wirewound Resistors, Metal-Film Resistors, Capacitor Networks
