BUCCANEER FOOTBALL FANS --

On behalf of all the coaches, players, administrators and the entire East Chambers football family, I want to welcome you to the 2026 edition of Buccaneer Football. Your presence at our games is of the utmost importance to our program and our players. There is nothing more exciting to our players, band members, cheerleaders, drill team and all our support groups than to be able to give our best in front of a loud, excited, sellout crowd. We hope you have a great time tonight and enjoy the performances of our young people. We assure you that you will see the best intensity, character, determination, preparation and desire to win that our students can muster.

We are all very excited about the opportunities the upcoming season brings. Our non-district schedule will test our team in many ways and should prepare us for a very tough, competitive 10-AAA .

We know as a team that we must compete, learn from our mistakes, improve and focus on one game at a time.

East Chambers High School is a great place to go to school. Each student is viewed as an individual with special talents. At EC, the entire staff strives to meet the needs of individual students of all grade levels. Students get an outstanding education and are allowed to participate in an assortment of extra-curricular programs that challenge the students for a changing future.

East Chambers High School has a long tradition of outstanding student achievements, both on the athletic fields and in the classroom. Our graduates have established excellent marks at the state and university levels and have become productive members of society.

Support our kids at East Chambers High School where every student is special and a future champion in the game of life.
