GripClip standard Memo Holder

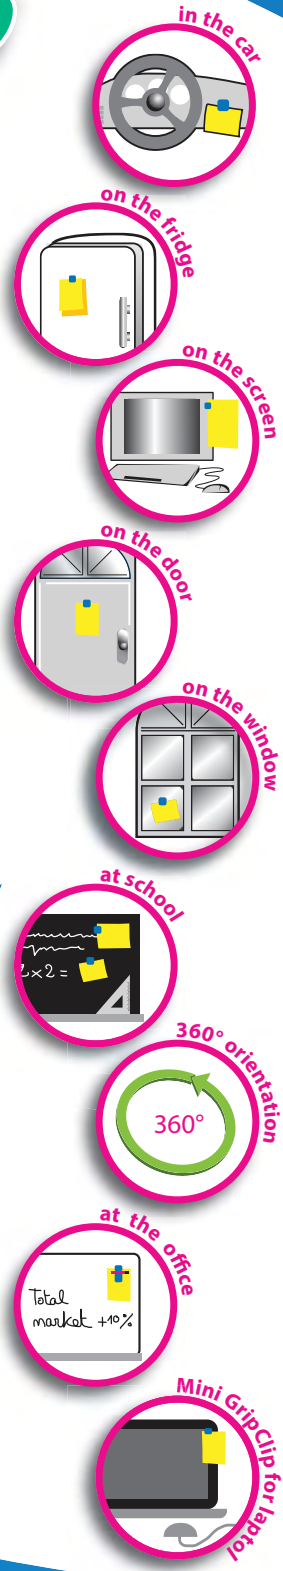

GripClip mini Memo Holder

From small up to extra-large marker

GripClip+ Memo Holder

GripClip is a very unique paper holder.
The insertion and removal of papers can be performed by just one-action with only one hand.

Once GripClip catches and holds papers, it won,t release them at all.

Capacity: up to 10 sheets

Insertion

• Insert papers into the slit upward by one-touch action. This is the whole work to do to catch and hold the papers

Removal

• Just pull the papers out from left to right or right to left. This is the wole work to do to remove the papers. When you like to pull out specific one, pull out all papers first, then select the specific one and put the rest back to GripClip

Characteristics

• Gives no demages to papers • Leaves no stain on the papers, neither on the chosen surface
• Works at any angle mounting • Very strong capability

Removable, washable and reusable backing adhesive

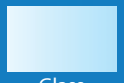

Restickable on all surfaces !

2in1 Glue Pen

Before use, cover the cap and shake the pen.
Press the tip to release the air (1st time only).
Press the tip down continuously until the glue goes out.
Do not squeeze the tip of the pen during gluing.

To start the glue pen, push the tip down several times until the glue soaks the whole tip. If the glue comes
in contact with skin, wash with soap and water or alcohol.

2IN1 USE

1) PERMANENT:

Apply the glue, stick objects together.
it will become permanent after 60 seconds or so.

2) REMOVABLE:

Apply the glue on chosen area and wait about 60 seconds for the glue to dry clear and it will become removable

Acid free
Xylene free
